

M.K. AMMOSOV NORTH-EASTERN FEDERAL UNIVERSITY

June 23, 2017, Yakutsk, Russian Federation

INFORMATION LETTER

We invite you to join the «The Modernization of Engineering Education: Russian Traditions and Modern Innovations» International Research Conference

ORGANIZING COMMITTEE OF THE CONFERENCE

- **Evgenia Isaevna Mikhailova**– Rector, Chairman of the Organizing Committee
- **Svetlana Nikolaevna Chistyakova**– Academician-Secretary of the Vocational Education Department of the Russian Academy of Education, Deputy Chairman.
- **Mikhail Prokopievich Fedorov**– Vice-Rector for Pedagogical Education, Deputy Chairman
- **Konstantin Konstantinovich Krivoschapkin**– Head of the Department – Vice-Rector for Research and Natural and Mathematics Sciences, Deputy Chairman

ABOUT THE CONFERENCE

- The purpose of the conference: the exchange of experience and opinions on the role of engineering personnel in the tasks of modernizing the economy of Russia and foreign countries, on new developments and achievements in the field of training engineers of different orientations
- Conduct form: full-time and part-time
- Language: Russian, English.
- Publication: The collection of articles will be published in electronic form and in the scientific electronic library elibrary.ru with registration in the RSCI database (Russian Scientific Citation Index).

PARTICIPATION IN THE CONFERENCE

- Deadline for receipt of applications for participation in the conference and articles until **May 20, 2017** inclusively. Applications and articles are accepted by e-mail OrgkomitetSVFU@mail.ru. The organizing committee does not consider applications and articles submitted after the deadline.
- Apply for participation and the article in strict accordance with the requirements.
- Files should be named by surname (for example: Ivanov I.I. - article, Ivanov I.I. - application for participation). When receiving the materials, the Organizing Committee sends to the author's address within 3 working days a letter confirming the receipt of the materials.
- The Organizing Committee reserves the right to select applications, reject materials submitted in violation of established requirements, or do not contain sufficient scientific novelty.

THE MAIN THEMES OF THE CONFERENCE

- **Construction and architecture.**
- **Power engineering and housing and communal services.**
- **Transport and road connections.**
- **Mining and safety mining.**
- **Geology and petroleum engineering.**
- **Telecommunications.**
- **CDIO.**

PUBLICATION REQUIREMENTS

- The authors of the reports are responsible for the content of the submissions.
- The article will be printed in the author's edition, so it should be carefully prepared.

Requirements:

- The text format is Microsoft Word (*.doc, *.docx); Page format: A4 (210x297 mm);
- Orientation - book; fields (top, bottom, left, right) of 20 mm;
- Font size - 12; font type: Times New Roman; line spacing – 1,5.
- At the beginning of the article, you must specify the UDC index.
- Texts and tables are allowed in the text. The name and numbers of the pictures are indicated under the pictures, the names and numbers of the tables are above the tables.
- Used literature (without repetitions) is to be made at the end of the text under the title "List of used literature". In the text it is denoted by square brackets indicating the ordinal number of the source from the list: [1].

CONFERENCE APPLICATION

	Author 1	Author 2	Author 3
