Call for papers (CFP)

Dear Colleagues!

We invite you to take part in the **1st INTERNATIONAL ARCTIC LEGAL FORUM**, which will be held within the framework of the V Northern Forum on Sustainable Development “Arctic Sustainability: Regions, Cities and Communities” on September 24-27, 2024 in Yakutsk, Republic of Sakha (Yakutia) .

All Forum participants must register to participate in Forum events on the official website: www.nsd.f.ru . Registration is open until the end of the Forum.

The Forum events will be held in a hybrid (offline/online) format at the address: NEFU Main Academic Building, (**Principal teaching block**), st. Kulakovskogo 42, Faculty of Law.

Simultaneous Russian-English translation is provided.

Principal directions of the forum:

- State support for business activities in the Arctic zone of the Russian Federation;
- Legal problems of integrated development and conservation of natural resources of the Russian Arctic;
- Guarantees of the rights of indigenous peoples of the Arctic in the context of modern challenges;
- Legal regulation of socio-economic development of the Arctic zone of the Russian Federation;
- State legal framework for the development of the Arctic territories of the Russian Federation.

Representatives of state authorities and local self-government, public organizations, educational and scientific institutions, university teachers, researchers, students, undergraduates, graduate students, as well as practicing specialists are invited to participate in the conference.

The forum is planned to include: (As part of the forum there are plans to organize:)

- panel discussion “Arctic Viability: Legal Dimension”;
- International research and practice conference “Industrial development of the Arctic in the context of environmental law and energy security”;
- International research and practice conference “Realization of the rights, freedoms and legitimate interests of indigenous peoples of the North, Siberia and the Far East of the Russian Federation: enforcement practice”;
- Round table “State legal framework for the development of the Arctic territories of the Russian Federation”;
- Round table “Legal basis of entrepreneurship, tourism, economic development of the Arctic”;

- discussion platform “Legal regulation of social development and security of the Arctic zone of the Russian Federation”;
- youth session “Tribune of a young lawyer-researcher”.

Issues planned for discussion:

- Legal regulation of social development of the Arctic;
- The contribution of legal science to the sustainability of the Arctic;
- Ensuring legal literacy of the Arctic population;
- Strategy of development and ensuring national security in the Arctic;
- The tasks of developing the natural resources of the Arctic and protecting the Arctic interests of Russia
 - Legal regulation of economic activities in the Arctic
 - International legal delimitation of maritime spaces in the Arctic, disputes about the boundaries of the continental shelf
 - Peculiarities of subsoil use in the Arctic: enforcement practice
 - Civil and social responsibility of mining companies, standard of responsibility for Arctic residents
 - Interaction between public authorities, business and indigenous peoples in the development of natural resources: features of legal regulation
 - Problems of legal regulation of the integrated development and conservation of natural resources of the Russian Arctic
 - Issues of environmental safety of economic activity in the Arctic zone of Russia, environmental aspects of traditional environmental management of indigenous peoples
 - Legal means for the participation of indigenous peoples in the decision-making process regarding the development of natural resources
 - Assessment of the impact of the mining industry on the environment; ethnological examination
 - Prospects for public-private partnership in subsoil use
 - Energy, industrial and environmental safety in the mining industry

Forum participants may propose other topics for the report.

All participants are given a certificate. Participation in the forum is free. Travel and accommodation to the venue are paid for by the forum participants themselves or at the expense of the sending party.

In order to support student science, a separate section will be organized. Student presentations will be held with the participation of an expert commission to determine the best reports (Diplomas of I, II, III degrees).

The program, a link to access online participation in the forum indicating dates and times will be sent to the email addresses specified in the participants' applications.

It is planned to publish the forum materials in a collection with indexation in the RSCI. Publications are also possible in periodical scientific publications of partners of the Northern Forum.

The program of events will be compiled after the deadline for accepting applications and sent to participants.

To participate in the forum you must:

Send by September 15, 2024 (inclusive) to email Z_koryakina@mail.ru an application for participation and a full-text article (or abstract of the report) with the subject of the letter designated as «Заявка_ЮФ_СФУР».
